## VISION & MISSION

### **Vision**

Our Vision is to 'open the doors of learning' for all children who find the learning process difficult

### **Mission**

Our Mission is to open the doors to learning, in a place of peace, good will, acceptance, understanding and free from discrimination.

To achieve this mission, we will:

- Strive to reach each child at their own level of learning
- Teach children through their strengths and their individual learning styles
- Teach in a fun learning environment
- Always provide services of the highest quality and integrity possible
- Help each child reach his or her own goal
- Help children regain their self-esteem
- Work holistically with other therapists and therapies
- Strive to work in co-operation with and beside other schools
- Work in co-operation with those who feel they are in competition with us

**Our greatest goal is to give children the wings to fly**

**The basis of education is freedom**

**The purpose of education is joy**

**The result of education is growth**
